

WELCOME! PLEASE REVIEW THE INFORMATION BELOW. YOUR HELP IS GREATLY APPRECIATED!

Clothes- Please make sure your child is in clothes that they can get messy in, and are weather appropriate. I love to do hands on activities, and be outside, weather permitting. I recommend you send in a zip locked bag of extra clothes, underwear, and socks. Please be sure to write your child's name on the bag.

Backpacks- I recommend a **standard size backpack**. I have experienced that small backpacks ruin projects, class pictures, and important information.

Star of the Week- We like to make our students feel special! Each week a child will get to be a star student. That child will receive a star student folder. In that folder I will give you information of what to do the following week. I will always send it home on a Wednesday, a week before they are the star student. Please return the folder. Your child will also get to be a special teacher's helper for that week.

Blooming with Good Books- We think that reading is very important for your child and we have a program called, ***Blooming with Good Books***. We'd like to ask you to read with your child and keep track of the books you have read. After you have read 20 books, have your child bring the form back into school for a prize!

Bible Verse- Each month your child will be learning a bible verse. Please review it with your child. If they can memorize the bible verse each month, they will receive a prize.

Restroom- Please have your child go to restroom right **before** coming to school. This will help with our daily schedule and routine. We will have at least 2 restroom breaks at the beginning of the school year.

Communication- Communication is very important to me! Please feel free to email me with any concerns or joys! lindsaycgwright@gmail.com

I will also be using "Remind." Remind is an app that you can use to communicate through texting so parents/guardians can get important information instantly.

Folders- Each child will receive a red folder. Please keep the folder in their backpack each day. The folder is for us to send home important papers, or their art work and also for you to send in tuition payments and notes.

Thank You,

Ms. Cook and Mrs. Brit
