

Hello Families! Time is flying by! Be sure to register for fall preschool if your child is returning and pay the registration fee. **This month we will have picture day on Friday, April 20, 2018.** Be sure to dress your best! **Our spring program will be Wednesday, May 23, 2018 at 1:00 pm.** Children need to arrive at 12:30. **Our end of the year class picnic together will be on Thursday, May 31, 2018 at 12:30-2:00 p.m at Wegerzyn Gardens.** I will be sending home more information soon.

This month we will be starting an investigation on worms. Our class will explore where worms live and what they eat. We will use magnify glasses to explore their bodies and search for them in the grass & dirt outside. This will be exciting!

Later in the month we will continue working with patterns and rhyming words. Please continue to work with your child on learning their phone number and address. It is important to teach your child this information for safety reasons.
