

FAITH KIDS

*A program for the "Whole Child." Founded in 1977.
Faith Preschool is a non-profit organization.*

Welcome to an exciting year at Faith Preschool filled with fun and new discoveries! We are committed to providing your child with the highest quality, educational experience that we can give. Our teaching staff is very dedicated to the children! We believe that communication is key to your child's success and to a great parent/teacher relationship. We encourage you to contact us if you have concerns or questions at anytime.

At Faith Preschool, your child is cared for greatly. Your child will play in an environment that is safe, warm and welcoming. Our lessons are designed to enhance your child's growth in many ways. Each day will be filled with fun and exciting adventures to help your child develop spiritually, academically and socially. We will encourage independence and self confidence. Our activities will reinforce learning in reading readiness, math, science, art, communication, fine and gross motor skills and social/emotional skills. We also teach the children Christian values, such as kindness, patience, love, peace, joy, etc...

If at any time you would like to observe your child's classroom or speak with me, please feel comfortable. I enjoy working with our families and the children. Thank you for the opportunity you have given us to be a part of your child's life.

Blessings,

Amy Feagle
