

# Mrs. Britt & Ms. Cook's April 2018 Newsletter

Dear Families -

WOW! I can't believe it is already April! Time is really going fast!

This month we will be starting an investigation on seeds and plants. We will explore what seeds need to grow, what seeds produce, why seeds are important in our world and find out the different places we grow seeds.

In April and May, we will be focusing more on our Word Wall words! There are new words each week. We will do a weekly "test" to see if the children have mastered the words. Each child will get to put their name in a basket when they have mastered the words. The child who gets their name picked out of the basket will decide what kind of class party we will have. Our party will be to celebrate all the word wall words we will have mastered!
