February 2018

Dear Parents,

I love your kids and I am excited to share with them the LOVE that Jesus has for them! This month we have some exciting things for your child! We will be learning about loving one another, how to take care of our teeth, hibernation and our February focuses.

Rhyming show and tell - Please have your child bring in two items that rhyme on Wednesday, February 7th!

Kondas Dental will come to talk with the kids about dental health on **Friday, February 9th**!

On **Thursday, February 22** we will have hibernation day as we have pancakes for snack, and wear our pj's! We will stay in hibernation mode for **Friday, February 23rd** as we have a movie day and make popcorn!

Thank you for your help for making all of our months a success! February is going to be great! If you ever have any questions or need anything you can call me at 937-235-0327 or e-mail mrsbrittfaithpreschool@gmail.com.
