February 2019

Dear Parents,

I love your kids and I am excited to share with them the LOVE that Jesus has for them! This month we have some exciting things for your child! We will be learning about loving one another, working on assessment focuses, and starting a project on healthy and nonhealthy foods. We will learn about the amount of sugar in the drinks we like, and learn about My Plate. The kids and I will be talking about some recipes we will want to make in March!

We will be participating with Mrs. Morgan's class in a special class project that will help the children share God's love with others. Our classes will be collecting food items to help families in the community. We will be collecting cereal, oatmeal (instant packets), granola bars, cans of soup, macaroni and cheese that only requires water to cook, canned ravioli/spaghetti, non-refrigerated fruit juice, and boxes of milk, which can be found at Dollar Tree. Please send in the items with your child and label them "donations"! Thank you for your help!

Thank you for your help for making our school year a success! February is going to be great! If you ever have any questions or need anything, you can call me at 937-235-0327 or e-mail mrsbrittfaithpreschool@gmail.com.

Blessings, Kelley Britt
