

Hello Families! Wow, September has flown by. This October our class will have a Fall Harvest party. Our Tuesday-Thursday class will have their party on October 30th. Our Monday-Wednesday-Friday class will have their party on October 31st. Each child may wear their pajamas to class, if they choose to. To make this Fall Harvest party great, I will be accepting donations. For example: table cloths, plates, cups, piñatas, goody bags (no chocolate or nuts), and fall decorations. Also, I will need two parent volunteers and someone to make a special snack. If you're interested, please contact me via email (lindsaycgwright@gmail.com) or Remind.

Our Tuesday-Thursday class will begin their measuring investigation. We will be exploring different methods of using measuring tools. Children will compare pumpkins and gourds by weight, light and heavy.

Our Monday-Wednesday-Friday class will begin a kitchen science investigation. We are going to bake a cake and vote to omit one ingredient and predict what will happen. Also, children will begin to explore what gas, solids, and liquids are. In addition, our class will do a balloon science experiment, which will be so much fun!

Our students will continue working on fine motor skills, such as writing & cutting, letter recognition, and math skills. Math examples: sorting objects, counting objects 1-10, and making patterns.

Join us for fun at Meadow View Growers, located at 755 N. Dayton-Lakeview Road, New Carlisle, OH 45344 **on Wednesday, October 24, 2018. We will not have school that day because of our field trip.** We will meet in front of Meadow View Growers at 1:30 P.M. Each child participating will need to pay \$7.00. Adults do not have to pay. Each child must have a signed waiver form which will be sent home.
