

Mrs. Morgan
Tuesday/Thursday
Morning 3's

Dear Parents,

I can't believe we are already in our last month of school! The kids have had an incredible first year of preschool & I hope to see many of their faces this coming school year! The children have grown in every way I could possibly imagine! The class has made my second year teaching at Faith a pleasure and I cannot wait to continue working with the new 3's this fall!

This month we will be celebrating our Family and creating lots of fun art work to commemorate their first year of school! On **May 3**, please send in a photo of your child and family for us to display in class & for our **Family Show & Tell Day**. (Picture will be returned on our program day).

Sunday, May 6th- You are invited to Faith Presbyterian Church at 10:30 to hear the children sing a couple songs during the church service. After church, you are also invited to stay for lunch. Please let us know if you can attend! We hope to see you!

We are going to be doing a lot of investigation on how our muscles work. We will be exercising and playing outside on good weather days! On May 8th, 10th, & 15th please send your child in clothes and shoes they will be comfortable playing physical games in and will also be safe playing on the playground. Our last full week of school, we will be focusing on having patience with each other, taking turns, and using all of our social skills we have worked on all year! Our last day of classes will be May 22 and we will be celebrating our last day with a carnival themed day, complete with games, a craft, small face painting and a special snack! I invite your child to wear their favorite color on May 22!

Our Spring Program will be Thursday, May 24. Children should **arrive** to school at **9:00 AM** and our program will begin **promptly at 9:30 AM**. Children will receive a certificate of completion for the year and sing songs we have learned for the program. Please invite your family & friends to our special program!

Wednesday, May 30, Wegerzyn Gardens Picnic. This is our last event together this school year! Please arrive at **12:30**, bring a lunch and a blanket to sit on as we are unable to reserve the picnic benches. This will not be a guided field trip. We can eat together and then explore the Children's Garden area. Our time frame at Wegerzyns is scheduled for 12:30-2:00 pm. We hope to see you all there!

With Love, Mrs. Morgan

Special Highlights to Remember!
