DECEMBER 2018

## Dear Families,

This month we will learn about the season of winter, and many mathematic principles! December is an exciting month for all students! We will be practicing special songs every class to prepare for our Christmas Program at the end of the month. We will also continue to build on our Christian Values: December being the value of Joy. We will talk about the true meaning of Christmas, how we can show others our Joy and the Love of Jesus in our lives. We have some fun art activities planned as well as a special Christmas show we will share with the children towards the end of the month! Miss Williams and I want to wish you all a very Merry Christmas and a Happy New Year! I will miss my students very much during our break and can't wait to see them in the New Year!

**Parent's Night Out Fundraiser: Saturday, December 8<sup>th</sup> 4-8 pm. Please let me know if you'd like to send your child. I will be one of the teachers with the children that night!**

**Children's Sunday at Faith Church: Sunday, December 16 at 10:30AM-11:45AM.** The children will be singing, Away in a Manger during the service. The children will also have the opportunity to dress up as an angel, a shepard, or a wise man when they arrive to church. We will have a small pageant for the children and a few church members to participate in. The nursery will also be available for younger children. Our preschoolers can also do a craft with the teachers after the children's sermon. You are welcome to stay for refreshments following the service. We hope you will join us!
