Dear Parents,

This month we will learn about the concept of giving thanks, kindness, American History, and explore music and measurements. The children amaze me every class with how much they are learning and retaining. Their vocabulary increases monthly and we have begun playing well together as a group! In November, I will be working with each student on writing the first letter in their name and attempting to write the rest of their name as the month progresses. I encourage you to begin practicing the first letter of their name at home.

Thank you all for your hard work and dedication to your children at home! Your teaching at home, and love for your children shows in them at school and it is beautiful to witness!

Special Family Craft: We will be sending home a turkey outline for your child to decorate with your family. Please return the Turkey by November 8 so we may add them to our November Bulletin Board! Please **do not** decorate the turkey with nuts, or foods with nuts in them, such as honey-nut cheerios due to children in class having nut allergies.

**VOTING- We will have school on Tuesday, Nov 6<sup>th</sup> (Voting Day) Please be careful entering and exiting the parking lot since Faith Church is a polling place.**

**The children will vote on November 1 for a celebration theme of their choice for an in-class party on November 6. We will be using a Voting Booth to vote. Their choices will be a class pizza party, pancakes and PJ's or a birthday party celebration.**

**Thursday, November 8, NO SCHOOL Due to Faith church having a funeral.**

**Children's Sunday at Faith Church- Sunday November 18 10:30-11:45AM:** The children will be singing a song. The children that attend Faith Church on this day will receive a prize from school the following week! The nursery will be available for younger children and our preschoolers can do a craft with the teachers after the children's sermon. We hope you will join us!
