February 2019

Hi Parents!

**Happy Valentine's Day!** What a fun month its going to be...

Last month the children learned about gentleness. The class explored ways to be gentle and kind in all aspects of life. The students learned science by exploring winter weather elements; snow, ice, rain. The class was also introduced to math by measuring and preparing their own snack during class. For the month of February, the students will be introduced to dental health, and healthy eating habits. What better time to teach them than this month where chocolate is abundant? The students will also learn about hibernation and the animals that hibernate. Each week I have a super fun activity planned that will engage them in class.

Our class **Valentine's Day Party** will be held on **February 14<sup>th</sup>**. Each child will need to bring in 10 valentine cards, (they can have candy attached, no chocolate/nuts), to give to fellow classmates. Please have your child trace or write their own name on the 10 valentine cards that they are sending in. They can also bring in a decorated valentine's box or bag to collect their valentine's cards. I would like to have two parent volunteers for the party and a volunteer for snacks. Please, message me on Remind if interested.

This month, we will be helping each student with letter, number, & simple shape recognition. Please continue to work with your child at home on tracing their name and reading at least one book to your child daily. Be sure to fill out and return the 'Blooming with Books' sheet for your child to have an opportunity to get a prize. This is a great motivational tool to get them interested in books outside of the classroom. If interested, you are welcome to sign up to read to the children during the months, February - May. We would love to have one family member each month to read to the class. We can give you a book to read or you are welcome to bring in a book from home. The sign-up sheet for your child's class is located on the front office door.

**Bible Verse:** *Love* "As I have loved you, so you must love one another." John 13:34

**Special Family Time:** I'll be sending home a heart cutout for you and your child to decorate. Please, use this opportunity to discuss the value of loving others as God has loved us. I encourage you to give the decorated heart to someone special.

**February 14:** Valentine's Day Party

February 2019

**February 21: PJ & Pancakes Day-** Your child can wear pajamas to school and bring in a stuffed teddy bear or animal for **Show And Tell**.

Mrs. Britt & Mrs. Morgan will be working at our next **Parent's Night Out** fundraiser on **Saturday, February 23 from 4-8 pm**. If you are interested in sending your child, please sign up as soon as we send home the registration form. We are limited on spots. The children will have pizza for dinner, snacks, play games, art, and a movie. We hope your child can join us!

**Children's Sunday at Faith Church – Sunday, February 24, 10:30-11:45 am.** The children will be singing a song and after the children's sermon, they can do a craft. There will be refreshments after service too! We hope you will join us!

**February 27: Faith Preschool Health Fair, Wednesday 11:00-6:00.** Our class will have a special project that will be displayed. Please come check it out!

**Parent/Teacher Conference Day- Tuesday, March 12.** Please let me know what time will work best for you between **9:15-11:45 am**. Mrs. Klarer will be in the class with the children while I'm meeting with you. If you have a scheduling conflict, let me know and we can figure out another time to meet.

**Special Highlights to Remember!**
