December 2018

Hi Parents,

HAPPY HOLIDAYS... I can't believe it's that time of year already! Time flies when you're having fun. I'm amazed at how well the children are adjusting to school. They follow classroom rules, play together well, and have retained so much information in such a short time.

Last month the children learned about all things associated with Thanksgiving; gratitude, kindness, peace, American history, turkeys...etc. This month we will learn about the Joy of Christ and the true meaning of Christmas. I have many crafts and games planned for this month that involve math and music. I can assure you it's going to be a fun-filled, educational month. I will be working with each student, one on one, to recognize their name. Please, continue to work with your child at home on tracing their name, recognizing numbers/letters/shapes, and reading at least one book to your child daily. Be sure to fill out and return the 'Blooming with Books' sheet for your child to have an opportunity to get a prize. This is a great motivational tool to get them interested in books outside of the classroom. If interested, you are welcome to sign up to read to the children during the months, January - May. We would love to have one family member each month to read to the class. We can give you a book to read or you are welcome to bring in a book from home. The sign-up sheet for your child's class is located on the front office door.

Thank you for all your support, donations, and feedback this year. It is greatly appreciated and doesn't go unnoticed.

Bible Verse: *JOY* "Come, let us sing for joy to the Lord..." Psalm 95:1

Special Family Craft: I will be sending home a Christmas tree outline for your child to decorate with your family. The Christmas tree is yours to keep at home or to give to someone special. I find that doing a special project together helps the family bond and create lasting memories.

Children's Sunday at Faith Church – Sunday, December 16th, 10:30-11:45 am. The children will be singing a song and also get to participate in a Christmas Pageant. When they arrive to church, they can choose to be an angel, an animal, shepard or a Wiseman. The nursery will be available for younger children. It will be a great time. Please arrive by 10:20 so your child can pick what they'd like to be before church begins. There will also be refreshments after service too! We hope you will join us!

Happy Birthday Jesus (Party): December 11th - The class will be having a birthday party in honor of Jesus. The children will be given a nativity scene to complete and have a birthday snack provided by the school. If you would like to send in a special snack that day, please let me know in advance. Thank you!
