November 2018

Hi Parents,

I can hardly believe that October has come to an end and November has arrived. Time flies when you're having fun. I'm amazed at how well the children are adjusting to school. They follow classroom rules, play together well, and have retained so much information in such a short time.

Last month the children learned about safety in our communities, and what you should do if approached by strangers. I hope that all families discussed this and prepared a safety plan.

This month we will learn about all things associated with Thanksgiving; gratitude, kindness, peace, American history, turkeys...etc. I can assure you it's going to be a fun-filled, educational month. I will be working with each student, one on one, to recognize the first letter of their name. Please, continue to work with your child at home on tracing their name, recognizing numbers/letters/shapes, and reading at least one book to your child daily.

Thank you for all your support, donations, and feedback. It is greatly appreciated and doesn't go unnoticed.

**Bible Verse:** *PEACE* "Let the peace of Christ rule in your hearts..." Colossians 3:15

**Special Family Craft:** We will be sending home a turkey outline for your child to decorate with your family. The Turkeys should be returned by November 8<sup>th</sup>, so we may add them to our November Bulletin Board. Please, **DO NOT** decorate the turkey with nuts or food with nuts in them such as, honey-nut cheerios, due to children having nut allergies.

**November 6 – WE DO HAVE SCHOOL- please be careful entering and exiting the parking lot because Faith Church is a voting site.**

**November 8 WE DO NOT HAVE SCHOOL – the church has a funeral so we cannot have school.**

The children that attend Faith Church on this day will receive a prize the following week! The nursery will be available for younger children and our preschoolers can do a craft with the teachers after the children's sermon. We hope you will join us!
