Brrrr.....It is starting to get cold.....MAYBE!!

NO matter how crazy our weather in Ohio is, there will come a day where your child NEEDS a coat at school. Please label your child's coat with their name so it doesn't get mistaken for someone else's coat. Also, please help your child learn how to zip or button their coat as well. Practice at home will help with their fine motor skills & our getting ready to go home routine. Thank you

Fish Pantry

The Thanksgiving holiday is approaching us soon! We would like to teach the children how to give to others in need and to be thankful for what they have. Throughout this month, please have your child bring in cans of food for the Huber Heights' FISH food pantry. Thank you.

We Are Thankful For Your Support

We just want to thank all the parents who continue to donate to our class. We really could not do this without all of your help and we want you to know that we greatly appreciate you and your children.
