

MRS. PETERS MARCH 2018 LESSON PLANS

	Friday, March 2nd
Star of the Week	Bentley Bowen (Send home the star of the week bag with Bentley)
Table Activities	Green Eggs and Ham Coloring sheet and green slime
Circle Time	Talk about Dr. Seuss' birthday and Read "Green Eggs and Ham"
Activity	Make Green Eggs and Ham (substitute Pancakes for eggs for Bentley B.)

State Standard Focus:

Friday: With modeling and support, explore the properties of objects and materials (e.g., solids and liquids).

Five Senses Week	Monday, March 5th	Wednesday, March 7th	Friday, March 9th
Star of the Week:	Friday: Send home Star of the Week bag with Harnoor		
Table Activities	Monday: Different noise makers will be on the tables for the children to explore. Wednesday: Brail, bubble wrap, feathers, sand paper and other items will be available for the children to explore. Friday: Snack will include a smell and taste test.		
Circle Time	Sound: What's that sound? The children will hear a variety of sounds and guess what they are.	Touch: What is touch? The children will take turns feeling inside a bag, (no peeking) and will guess what the items are. What is sight? We will discuss what it means to see.	Smell; What is smell? The children will take turns smelling certain foods and scents and guessing what they are.
Activity	We will listen to different types of music, fast and slow, and encourage the children to move to the music at the correct pace.	Sponge Paint: The children will use both hard and soft sponges, bubble wrap. The children will also attempt to put a small puzzle together blindfolded so they can understand what it feels like to be blind.	The children will help to make scented play-doh and be able to take some home. Favorite senses show and tell.

State Standard Focus: Monday: Explore objects, materials and events in the environment.

Wednesday: Engage in simple investigations.

Friday: Make predictions.
