

# Mrs. Peters' and Miss Woodward's

FEBRUARY 2018 NEWSLETTER

This month we are focusing on love. We are exploring what it means to love and ways we can show love to others. We have a few projects in mind that will give your children a chance to experience and discover love in different ways. We plan on making cards, decorating cookies for a group of fire fighters, and making cat toys to donate to SISCA. We are so excited for these projects and encourage you to ask your child what they are learning in the classroom. They are all little love bugs that we adore so much!

## Classroom Helpers

We **ALWAYS** need helpers to do little projects for us. We would greatly appreciate it if you could volunteer your time in any of the ways listed below:

- We need someone who can make play-doh for our class once a month. Usually we would like it to be the color we are learning about that month. I have a wonderful recipe I can provide.
- Someone who would love to come in and share a special talent or profession with our children. We are always looking for ways to introduce new and exciting experiences with our kids.
- Please let us know if you are interested in volunteering to make play-doh.
