

Mrs. Peters' January 2018 Newsletter

Welcome Back!

We are so glad that you are all back from Christmas Break. We missed each and every one of our kids and cannot wait to get back into the swing of things. We have so many fun activities to look forward to this month.

You will be seeing more homework sent home this month, tailored to your child's specific strengths and weaknesses. Homework is ALWAYS an option. Please do not feel like you HAVE to complete it. Working on skills

at home is one way to help your child learn. They do receive a prize for turning it in, which seems to be a great motivator. If you have any questions, do not hesitate to ask.

A Few More Things ...

NO SNACK donations are needed in January! You are receiving a snack calendar this month, but we **do not** need any FOOD donations. Because of the snacks you supplied last month, we have enough to cover this month. We need to use these items up before they expire. Of course, if your child has a birthday, that information is on the calendar

and they can still bring in a birthday snack. Thank you all for your generosity.

Supplies needed for our class: small cups, small plates & paper towels
Thank you for your help!

READING:

Please continue to read with your child every night. Our kiddos really benefit from reading at school AND at home. Remember, if they fill up their reading paper with 20 books, they can also receive a prize. Your children absolutely love story time in our class and some are also showing an interest in reading the words on the pages. ☺ Way to go parents!! You all are awesome.

SHOW AND TELL:

Show and Tell this month will be on **Wednesday, January 31st**. Your child can bring in their FAVORITE SHAPE, to tie into our geometry unit. BE CREATIVE!! HAVE FUN!!! I cannot wait to see what your little one comes up with.

COATS:

PLEASE PLEASE PLEASE continue to work with your child on putting their coat on by themselves and zipping it up. We are starting to see an improvement with this and are very thankful. This independence is key for KINDERGARTEN! Let's get a head start. Also, if you haven't done so, please write your child's name on the inside of their coat and hat, gloves, etc. Thank you!!

WEEKLY UNITS

I'd like to start listing the Weekly Units so that you can be aware of what your child is learning about everyday in school. You can use this information to ask them questions about their day!

- [Week of January 8th-12th: Grocery store/ money](#)
- [Week of January 15th-19th: Transportation](#)
- [Week of January 22nd-26th: Snow and Ice](#)
- [Week of January 29th-31st : Geometry](#)

[Always, feel free to contact me on class dojo, text or email! I would be happy to answer any questions you may have! Let's have a great month! ☺ Mrs. Peters. 937-620-8904 or Apeters0886@gmail.com](#)
