Tinkergarten Free Trial Class

Hobart Urban Nature Preserve

1400 Tyrone, Troy, OH 45373
Cost: Free Event

At Tinkergarten, families meet outdoors to connect and learn through play.

In this free trial, Tinkergarten Leader, Danielle Richey, will facilitate an expert-designed play scenario, allowing children of various ages and needs to explore, problem solve, communicate, collaborate, and create together. Parents and caregivers learn, too, as we'll share insight into your child's development. Registration is required. Age Range: 18 months-5 years.

Adventures on the Great Miami
The Great Christmas Tree Bonfire!

Based on the popular novel - a brand new musical that will have you chirping with cheer!

New Parent App:

My family has just downloaded a new App. This App is called The Parent Cue. This app helps every parent do something each week to help move their child toward a deeper faith and a better future.

As a parent, some of the most important things you do for your child don't happen in a single day. You make small deposits in their life week after week—over time. That's why the Parent Cue App gives weekly cues to help you make the most of the time you spend with your kid or teenager.

These weekly cues will change with your child, staying relevant to their phase of life—from babies to high school. Each cue aligns with content developed by Orange, a non-profit ministry that creates resources for churches. We believe the best way to use this app is to be in a faith community so there are multiple voices in your kid's life reinforcing the same ideas. Our app will connect you with Bible stories and verses to talk to your child about, and we'll cue you with words to say and things to do, connected with the naturally occurring times that already happen every day.

INTRODUCING THE BRAND NEW PARENT CUE APP

- This is a free App. **What devices will Parent Cue app work on?** The latest update of the Parent Cue app is compatible with Apple's iOS 10.9 or later and Android's 4.4 (KitKat) or later.
