### Upcoming events:

Valentine’s Party- Feb 14

Our class **Valentine’s Day Party** will be held on **February 14<sup>th</sup>**. Each child will need to bring in **13 valentine cards**, (they can have candy attached, no chocolate/nuts), to give to fellow classmates. Please have your child trace or write their own name on the 13 valentine cards that they are sending in. They can also bring in a decorated valentine’s box or bag to collect their valentine’s cards. If you would like to volunteer for the party, please let me know.

Mrs. Britt & Mrs. Morgan will be working at our next ☺ **Parent's Night- Out** fundraiser on **Saturday, February 23 from 4-8 pm**. If you are interested in sending your child, please sign up as soon as we send home the registration form. We are limited on spots. The children will have pizza for dinner, snacks, play games, art, and a movie. We hope your child can join us!

### Children’s Sunday, Feb 24

We would like to invite your families to attend church with us on Sunday, February 24th, 10:30-11:45. The children will be singing a song during the service. The nursery will be available for younger children and our preschoolers can do a craft with the teachers after the children’s sermon. You are welcome to stay for refreshments following the service. We hope you will join us!

**Wednesday, February 27:**  
**Faith Preschool Health Fair,**  
**11:00-6:00.** Our class will have a special project that will be displayed. **Please come check it out!**

Tuesday, March 12th--  
Parent/Teacher Conference Day,  
12:30-5:00pm. I will have  
signups on the Bloomz app soon.  
We do have class but Mrs.  
Mulling will be teaching that day.  
Please sign up for a 15 minute  
conference with me!

We have sent home a new goal  
sheet, (blue paper). **Please**  
**return this form ASAP if you**  
**haven't.** Simply check a few  
goals that you'd like us to work  
more on with your child. We will  
let you know your child's  
progress during conference time  
in March.

**Heart investigation:** Parents, our  
heart investigation is going well.

The children have been learning  
about the function of the heart  
and now we are moving into  
learning the parts of the heart.  
The vocabulary words the  
children will be practicing are  
veins, arteries, heart, beat, pump,  
and muscle. The children will  
continue working with hands-on  
activities to better understand  
how our heart functions.

Have a wonderful February! –  
Mrs. Teague & Mrs. Mulling
