The nursery will be available for younger children and our preschoolers can do a craft with the teachers after the children’s sermon. We hope you will join us!

Pastor Julia: Nov. 13th Pastor Julia gives the children an illustrated message.

PJ Party- Nov. 15 Send the kids in their PJ’s. We will

be having a fun day of reading and fun activities. We will also be collecting new PJ's for the Scholastic Book Club's Great Bedtime Story Pajama Drive benefiting Pajama Program, a national nonprofit organization that provides new pajamas and storybooks to at-risk children.

Pajama Program supports children living in shelters, group homes, and foster care, and those who attend Title I schools, Head Start programs, and other organizations that support at-risk youth. With warm pajamas and a comforting bedtime story, children feel safe and secure as they drift off to sleep, allowing them to have the good night that they need to realize their dreams the following day.

Our class wants to be part of this drive so that we can help make a better bedtime for these children. Together we can help the Great Bedtime Story Pajama Drive reach even more children through the magical gifts of pajamas and storybooks. If you and your child can participate, please help us transform bedtime for an at-risk child by bringing a new pair of pajamas to school on Nov. 15th.

Here are some simple guidelines for the pajamas: Pajamas must be brand-new. Pajamas in all sizes are needed—from newborn to adult. Pajamas must be in complete sets or nightgowns. Pajamas in children's sizes must be manufactured as pajamas—this ensures that they are flame-retardant and safe.

Stone Soup- Nov. 20th

Our class will be performing a little play and afterwards sharing a bowl of "Stone Soup." You are invited to come into the school at 12:45 and wait in the parlor. **We will begin our short play at 1:00.** The play is very short so please be on time.

No School: Thanksgiving Break is Wednesday, November 21- Friday, November 23. Happy Thanksgiving families

Lockdown Drills- We will have a lockdown drill on November 27. We will send home a note with your student the day we have the drill so you are aware.

Helpful tips to know

Developmental milestones are things most children can do by a certain age.

3- to 4-Year-Old Development: Cognitive Milestones

Your child will start asking lots of questions. "Why is the sky blue? Why do birds have feathers?" Questions, questions, and more questions! While it may be annoying at times, asking questions is a normal developmental milestone. In addition to asking "why?" all the time, your 3- to 4-year-old should be able to:

- Correctly name familiar colors
- Understand the idea of same and different
- Pretend and fantasize more creatively
- Follow three-part commands
- Remember parts of a story
- Count, and understand the concept of counting
- Sort objects by shape and color
- Complete age-appropriate puzzles
- Recognize and identify common objects and pictures
