

April 2018 Newsletter

Ms. Williams and Mrs. Morgan

Bye Bye March and hello April! This month we will be making our very own pizza shop in the classroom! This is a fun and great way to teach them independence, social skills and we will incorporate some other learning opportunities too! We are investigating bugs and flowers, working on patterns, sorting and opposites! We will also be working hard to prepare for our program in May. I can't believe how this school year has gone by so fast but it has been such an honor to see your children grow and soar along the way! I would do it all over again if I could!

Thank you,
Ms. Williams and Mrs. Morgan

INFORMATION AND DATES

Graduation or Spring Pictures- Friday April 20th
