

DELIGHTFUL DECEMBER

MISS WILLIAMS & MRS. MORGAN'S NEWSLETTER

I am amazed at how fast this school year is going! I'm grateful that it has been so good to us all! I am so impressed with the children. they work so hard on their bible verses each month and I can see improvement in their skills! It truly makes me proud and grateful and I know you all are proud too! This month we are going to talk about Jesus and the meaning of Christmas. We will also be practicing for our annual Christmas program so be sure to mark your calendars to see our little ones sing and rejoice together!
