

Moving into March

Miss Williams & Mrs. Morgan MWF AM

I am over the rainbow happy that we are transitioning out of winter and looking forward to a new season! With this new season we are marching right into more fun at preschool! We have so much to look forward to this month! We will have special visitors coming in to give us a robot presentation! We will also be focusing on some special topics like Science and our five senses, Exercise, St. Patty's Day and we will have our Easter Party before Spring Break. Parents if you haven't already, please make sure that you sign up for Parent Teacher conferences! I am eager to talk to you about the progress your child has made this school year! Conferences will be held **Monday March 12th** and will take about 15 minutes! **We do not have school on Monday, March 12th.**
