

Things to Remember for September

Miss Williams and Mrs. Morgan Newsletter

MWF AM 4's and 5's

Welcome to my class! It's going to be a great school year! I'm so excited for all the fun things we have planned this month! We will be working together on activities to get to know each other and embrace making new friends! We will also have Show and Tell day so that the children can bring in something they love from home! We will learn about rules at school and we have a fieldtrip scheduled so mark your calendars. We would love for you to join us at the Fire Station! Please take a look at our focuses for this month and some important information to know for the beginning of the school year!

Monthly Educational Focuses

Letters: Rr, Ss and Aa

Numbers: 4, four, cuatro

Shape: Circle

Colors: Red, rojo

Word wall words: the, I, was & red

Bible Verse: **Kindness** "Be kind and compassionate to one another"

Ephesians 4:32

Dates to Remember

Fire Station Field trip- Wednesday, September 26th 2018 at 9 am

Show and Tell Day- Friday, September 28th

Show and Tell Day- Friday, Sept. 28th

Your child can bring in their favorite toy, book or stuffed animal from home to tell the class all about why it's special. Oh how I love Show and Tell...this is a great way to get the children excited and to share their interests with one another. I will send a reminder message on our REMIND app. Please sign up!

Fire Station Field Trip-Wed. Sept. 26th 9:00 am

We are going to the fire station to learn about some fire safety and tour the fire house. The children will get to listen to some fire fighters give us some tips and we get to see what it looks like inside the fire trucks! We will need to arrive by 9:00 am at 7008 Brandt Pike, Huber Heights OH 45424. There will be **NO school that day** but loads of fun and pictures! A parent/caregiver will need to stay with your child the entire time at the Fire Station. Hope to see you there!

Homework

Periodically I will send home some work or write ideas in the newsletter to help your child learn at home. Parent engagement is so important and we are a team! To start off the school year, work with your child on memorizing their birthdays and phone numbers!

Send in some clothes (just in case)

Accidents and spills happen at preschool! Just in case, we recommend that you send some clothes in a labeled zip lock bag and we will keep it in your child's backpack and have it handy if something happens ☺

If you haven't already sign up to be a class volunteer for parties, donations, assessments and more, we would love to have your help!

Remind App

I use an app called "Remind" to send out mass messages, important reminders and to communicate with parents. It is free to join and is great for sending and receiving pictures and contacting me with questions and concerns or to set up conferences! It is a blue app with a white cloud on it. If you would like for me to add you, please let me know or if you download the app on your phone here is our class code: **a63ba9**

To be added by Text, enter this number 81010

Send this message @a63ba9

Birthday Snacks

A lot of my friends have upcoming birthdays and would like to celebrate with their school friends by bringing in a birthday snack and we love celebrating! We respectfully ask that you don't send in NUTS or CHOCOLATE due to allergies students may have. We also ask that you give us a heads up at least one month in advance so that we can add it to our snack calendar so that it doesn't affect a party day, picture day or pre planned cooking activity etc.

Preschool Perks

The children will love our class treasure box! Throughout the year the children will get various opportunities to pick special prizes from the treasure box and here are some ways that you can help!

Periodically we will send home **homework** and when it is completed and returned your child gets a prize!

We will be sending home some "Blooming with Good Books" papers. When your child has read 20 books at home, you can return the paper to school and your child gets a prize from the treasure box!

Also, if your child memorizes our **monthly bible verse** they can get a prize!
