Hello Parents and Happy Holidays! Here we are at the end of the year already! I feel like it went by so fast! I hope all of you reflect and feel great about all the things that you've accomplished this year. We can see how hard you all have worked to raise these beautiful children we have the honor of calling our students! This month we are keeping them busy with fun crafts, cutting practice, writing practice and our Christmas Program! Please mark your calendars for the Christmas Program and for Children's Sunday!

Things to work on at home

Work with your child on letter and number recognition. Conferences are right around the corner lets work together to make sure your child is ready 😊

Children's Sunday

Join us at Faith Church Sunday, December 16th from 10:30 am to 11:45 am for Children's Sunday. The Children will sing Away in a Manger during the service. The children will also have the opportunity to dress up as an angel, a shepard, or a wise man when they arrive to church. We will have a small pageant for the children and a few church members to participate in. The nursery is available for younger children and our preschoolers can do a craft with t4eachers after the sermon! You are a welcome to stay for refreshments and we hope you join! The students who attend will receive a prize the following week!
